

Our aims!

For residents....

- Those who want to stay are able to do so
- Those who do not will be offered re-housing elsewhere in the borough
- Residents will receive appropriate compensation
- All residents can have their say

For the estate....

- Replace all current 500 homes - phase 1
- Provide additional 200 homes – phase 2
- Greater mix of types of home so more houses as well as flats
- More homes for sale and mixed tenures
- Improved lighting and security
- Community facilities to meet local needs
- Retain strong local identity
- New facilities and housing for older people

For the new homes....

- Modern designs
- Economic to heat
- Good sound insulation
- Houses with gardens
- Choices for residents
- Homes to be proud of

For the building works....

- Minimum disturbance to residents
- Safety during construction work
- Promoting local employment
